INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Halifax Humane Society, Inc.

Opinion

We have audited the accompanying financial statements of Halifax Humane Society, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Halifax Humane Society, Inc. as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Halifax Humane Society, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Halifax Humane Society, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Independent Auditors' Report Page 2

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of Halifax Humane Society, Inc.'s internal control. Accordingly, no such opinion is
 expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Halifax Humane Society, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1 - Organization And Summary Of Significant Accounting Policies

A. Organization Activities

The Halifax Humane Society, Inc. (The Society) was established in 1937 as a not-for-profit organization to provide an animal shelter for care, remedial treatment, cruelty prevention, pet spay/neuter surgery, humane education programs, humane and animal bonding events, and other activities that promote the wellbeing and proper care of companion animals. The Society is supported primarily through donor contributions and fees for services.

The Boarding, Grooming & Travel Center was established in 2017 to provide pet services in the form of boarding, grooming and pet travel information to local residents and travelers. This program is supported through fees for services and the profits are designed to support the shelter operations and assist with sustainability.

B. Basis Of Accounting

The Society follows standards of accounting and financial reporting prescribed for not-for-profit organizations. It uses the accrual basis of accounting, which recognizes revenue when earned and expenses as incurred.

C. Cash And Cash Equivalents

The Society considers all highly liquid cash instruments with a maturity of three months or less to be cash equivalents.

D. Basis of Presentation

The Society presents resources for accounting and reporting purposes based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board can designate, from net assets without donor restrictions, net assets for an operating reserve and board-designated assets and liabilities of the Society. Revenue and support received by the Society without explicit donor restrictions are reported as without donor restrictions to the Society.

In general, net assets without donor restrictions of the Society may be used at the discretion of the Society's management and the board of directors to support the Society's purposes and operations.

Net Assets With Donor Restrictions – Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

When the donor stipulated the investment of the gift corpus in perpetuity, the income generated from the investment of corpus is available for the Society's operations in accordance with the donor restrictions. Appreciation related to the net assets with donor restrictions, if not specifically restricted otherwise, follows the donor's income restriction and is included in the appropriate net asset class based on existence or absence of donor-imposed restrictions.

NOTE 1 - Organization And Summary Of Significant Accounting Policies (continued)

E. Revenue Recognition

Contributions, including unconditional promises to give, are recorded as received. All contributions are considered to be available for the general programs of the Society unless specifically restricted by the donor. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Unconditional promises to give due in the next year are reflected as short-term contributions receivable and are recorded at their net realizable value. Unconditional promises to give due in subsequent years are reflected as long-term contributions receivable and are reported at the present value of their net realizable value, using risk-free interest rates applicable to the years in which the promises are to be received. The Society reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets.

Program revenues, which include adoption and service fees, and portions of other income are derived from contracts with customers as defined by ASC 606, further described in Accounting Pronouncements adopted disclosure below. In accordance with ASC 606, the Society's revenue is measured based on consideration specified in contracts with customers. The Society recognizes such revenues when it satisfies a performance obligation by transferring control over an animal, product, or service to a customer. Most of these transactions involve either a single performance obligation or multiple obligations where only one is considered material to the contract. For these contracts, the Society has determined that revenue should be recognized at a point in time as control is transferred, generally at the point of adoption or delivery of goods or services. Within the contract price, the Society includes an assurance-type warranty that provides limited guarantee regarding an adopted pet's health and the quality of goods for a reasonable period after delivery.

F. Investments

Investments are stated at fair value. To calculate realized gain or loss on the disposition of investments and unrealized gains and losses, cost is determined by specific identification. All gains and losses and ordinary income from investments are accounted for as unrestricted revenue unless it is restricted for a specified purpose by the donor of the related investment.

G. Accounts Receivable

The accounts receivable arise from fees charged to local municipalities for animal care and shelter. Accounts are charged to bad debt expense as they are deemed uncollectible based upon a periodic review of the accounts.

H. Inventories

Inventories, which consist of animal supplies for resale, are carried at the lower of cost or market determined on the first-in, first-out basis.

I. Land, Buildings and Equipment

Purchases of land, buildings and equipment having a unit cost of \$1,000 or more and an estimated useful life of five years or more are capitalized at cost. Donated assets are capitalized at the estimated fairmarket value at the time of receipt. Depreciation is computed using the straight-line method over the estimated useful lives of the assets which range from 5 to 39 years. In the absence of donor-imposed restrictions on the use of the asset, gifts of long-lived assets are reported as unrestricted contributions.

NOTE 1 – Organization And Summary Of Significant Accounting Policies (continued)

J. Donated Services

A substantial number of volunteers donate significant amounts of their time to the Society's programs and supporting services. Such services have not been reflected in the accompanying financial statements because these services do not meet the criteria for recognition as contributed services.

K. Income Taxes

The Society qualifies for exemption from federal income taxation under Internal Revenue Code (IRC) Section 501(c)(3) and is not classified as a private foundation under IRC Section 509 (a)(2). Accordingly, the accompanying financial statements do not reflect a provision for income taxes.

Management reviews its tax position annually and has determined that there are no material uncertain tax positions that require recognition in the financial statements.

The Society files tax returns in the U.S. federal jurisdiction. With few exceptions, the Society is no longer subject to U.S. federal income tax examinations by taxing authorities for years before December 31, 2018.

L. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

M. Functional Allocation of Expenses

Expenses are charged directly to program, management or fundraising in general categories based on specific identification. Indirect expenses are allocated based on program revenue or other bases, as determined by management. Although methods of allocation used are considered reasonable and appropriate, other methods could be used that would produce different results.

N. Fair Value of Financial Instruments

The following methods and assumptions were used by the Society to estimate the fair market values of financial instruments as disclosed herein:

Cash and cash equivalents, investments and short-term contributions receivable:

The carrying amounts reported in the statement of financial position approximate fair values because of the short maturities of those instruments.

Charitable remainder trusts:

The fair value is estimated by discounting the future cash flows using a current risk-free rate of return based on the yield of a U.S. Treasury security with a maturity date similar to the expected collection periods.

Perpetual trust held by third party:

The fair value of the Society's interest in perpetual trust assets is based on quoted market prices of the trust assets or similar investments.

NOTE 1 - Organization And Summary Of Significant Accounting Policies (continued)

O. Adverting Costs

All costs relating to marketing and advertisement of the Society's services are expensed as incurred. Total advertising expenses for the years ended December 31, 2021 and 2020 were \$6,031 and \$9,496, respectively.

P. Recent Accounting Pronouncement

In February 2016, the FASB issued ASU 2016-02 Leases: Topic 842. This ASU affects any entity that enters into a lease, with some specified scope exemptions. The main difference between previous GAAP and this ASU is the recognition of lease assets and lease liabilities by lessees for those leases classified as operating leases under previous GAAP. The amendments in this ASU are effective for fiscal years beginning after December 15, 2021. The Society has not yet implemented this ASU and is in the process of assessing the effect on the Society's financial statements.

Q. Reclassifications

Certain amounts in the prior year financial statements have been reclassified for comparative purposes to conform with the presentation in the current year financial statements.

NOTE 2 - Contributions And Bequests Receivable

Contributions and bequests receivable consist of amounts donated under trust agreements due within the next fiscal year are reflected at present value of estimated future cash flows using a discount rate of 5.0%. Differences between the amounts allocated and collected have historically been insignificant. Accordingly, no provision is made for uncollectible amounts.

The Society anticipates collection of outstanding receivables as follows at December 31, 2021 and 2020:

	2021	2020
Receivable in less than one year	\$ 295,938	\$ 459,480

NOTE 3 - Pledge Contributions Receivable

The pledge contributions receivable balance consists of the following at December 31:

	2021	2020
Pledge contributions receivable Less estimated discount	\$ 2,000	\$ 2,000 (
Pledge receivable, net	2,000	2,000
Less current portion	2,000	2,000
Pledge receivable, net, non-current	<u>\$</u>	\$

NOTE 4 - Fair Value Measurements

Fair values for short-term investments and perpetual trusts are determined by reference to quoted market prices and other relevant information generated by market transactions. The fair value of the charitable remainder trusts are estimated as the present value of expected future cash inflows.

The fair value measurements and levels within the fair value hierarchy of those investments are carried at market value and consist of the following:

- Level 1 inputs are quoted prices for identical investments in active markets.
- Level 2 inputs are quoted prices for similar instruments in active markets; and model-derived valuations in which all significant inputs and significant value drivers are observable in active markets.
- Level 3 inputs are model derived valuations in which one or more significant inputs or significant value drivers are unobservable.

In determining the fair value, the Society utilizes valuation techniques that minimize the use of unobservable inputs and maximize the use of observable inputs. Inputs used to measure the fair value of an asset or liability may result in the asset or liability falling into more than one level of the hierarchy. In this case, the classification is based on the least determinate input that is significant to the fair value measurement.

NOTE 4 - Fair Value Measurements (continued)

The following represents assets measured at fair value on a recurring basis at December 31, 2021:

Total Investments	\$ 5,197,709	\$ 5,883,897	\$ 686,188

Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of uncertainty related to changes in interest rates, market volatility and credit risk, it is at least reasonably possible that changes in these risks could materially affect the fair value of the investments reported in the statement of financial position as of December 31, 2021. However, the Society has adopted policies to mitigate the risk through diversification of invested assets.

Investment return for the years ended December 31, 2021 and 2020 consist of the following:

NOTE 6 – Split-Interest Agreements

Charitable Remainder Trusts – The Society is the beneficiary of a charitable remainder unitrust, held and administered by a local financial institution. Under the terms of the trust, the primary beneficiaries received quarterly distributions from the trust and income earned on the trust's assets must remain in the trust until the death of the primary beneficiaries. At that time, the remaining assets of the trust are to be distributed to the Society. The asset, long-term contributions receivable, represents the recognition of an amount receivable for the present value of the estimated future benefits to be received when the assets are distributed. The contributions receivable are reported at the present value of their net realizable value, using interest rates applicable to the years in which the promises are to be received (currently 5.0%).

The Society's charitable remainder trusts for years ended December 31, 2021 and 2020 are as follows:

	2021	2020
Charitable remainder trusts Discount	\$ 71,077 (52,421)	\$ 69,636 (51,462)
Charitable remainder trusts, net	\$ 18,656	\$ 18,174

During the years ended December 31, 2021 and 2020, the Society recognized unrealized gain/(loss) of \$483 and \$(984), respectively.

Perpetual Trust Held by Third Party – The Society is a 17% beneficiary of the Rogers Perpetual Trust held by a local financial institution. Under the terms of the trust, the Society has the irrevocable right to receive their share of the income earned on the trust assets in perpetuity, but never receives the assets held in trust. Income from the trust is unrestricted and expendable to support general operations. The Society's beneficial interest in perpetual trust assets is recognized at the fair value of the trust assets.

At December 31, 2021 and 2020 the Society's beneficial interest in the perpetual trust's asset is as follows:

	2021	2020
Perpetual trust held by third party	\$ 1,010,458	\$ 919,767

During the years ended December 31, 2021 and 2020, the Society recognized unrealized gain of \$90,691 and \$98,264 respectively.

Charitable Gift Annuities – The Society has entered into irrevocable agreements with donors whereby in exchange for the gift from the donor, the Society is obligated to provide an annuity to the donor for the remainder of their lives.

A liability is recognized for the estimated present value of the annuity obligation and the assets are recorded at their gross market value for the agreement where the Society is the trustee. The discount rate and actuarial assumptions used in calculating the annuity obligation are those provided in Internal Revenue Service guidelines and actuarial tables.

NOTE 6 – Split-Interest Agreements (continued)

Assets of the Society that are derived from the charitable gift annuities are as follows:

	2021	2020
Investments	\$ 150,950	\$ 143,785

NOTE 7 - Land, Buildings And Equipment

Land, buildings and equipment for the Society consists of the following:

	2021	2020

Depreciation expense for the years ended December 31, 2021 and 2020 was \$239,617 and \$225,310, respectively.

NOTE 8 - Notes Payable

On April 22, 2020, the Society was granted a loan (the "Loan") from CenterState Bank in the amount of \$357,500, pursuant to the Paycheck Protection Program (the "PPP") under Division A, Title I of the CARES Act, which was enacted March 27, 2020.

A summary of note payable consist of the following as of December 31, 2021 and 2020:

	2021	2020	
PPP Loan - CenterState Bank	\$ -	\$ 357,500	
Less current portion)
Note Payable, noncurrent	<u>\$</u>	\$ 357,500	_

The Loan bears an interest rate of 1.00% per annum, principal and interest are payable monthly. Funds from the Loan may only be used for payroll costs, costs used to continue group health care benefits, rent, utilities, and interest on debt obligations incurred before February 15, 2020. The Society used the entire Loan amount for qualifying expenses as described in the CARES Act, and the entire Loan was forgiven in February of 2021. See NOTE 16 – Extinguishment of Debt

NOTE 9 - Board Designated Net Assets

At December 31, 2021 and 2020, the Society's board of directors has chosen to place the following limitation on net assets without donor restrictions:

	2021	2020
Designated for the Capital Campaign	\$ 102,931	\$ 331,515

The purpose of the Capital Campaign is to address issues with the facilities including the laundry roof, stray building, courtyard and gates.

NOTE 10 - Net Assets with Donor Restrictions

Net assets with donor restrictions are restricted for the following purposes as of December 31, 2021 and 2020:

	2021	2020
Restricted for specified purposes:

		\$ 54,941

NOTE 12 - Retirement Plan

The Society maintains a SIMPLE retirement plan for the benefit of its full-time employees. The plan covers all full-time employees after 90 days of employment, subject to the eligibility requirements in the SIMPLE Plan Adoption Agreement. For employee contributions up to 3% of their eligible pay, the Society is obligated to make a matching contribution. Employer contributions to this plan for the years ended December 31, 2021 and 2020 was \$24,693 and \$25,300, respectively.

NOTE 13 - Contingency

Restrictive Covenants

The Society was granted the ECHO Grant in May 2014 in the amount of \$400,000. As grantee, the Society is obligated to maintain the facility in a clean working order and maintain and/or replace equipment, furnishings, and items described in the grant and/or purchased as part of the grant project. The project shall remain open and in operation for a period of 40 years.

If the restrictions are violated within the 40-year period, the County of Volusia shall be entitled to liquidated damages pursuant to the following schedule:

- 1. If the violation occurs within the first half of the effective time of these covenants, the County shall be entitled to return of the entire grant amount.
- 2. If the violation occurs after the first half of the effective time period, the County shall be entitled to return of the entire grant amount, less the quotient of 2 divided by the number of years in the time period times each year past the mid period of the effective time period times the grant amount.

NOTE 14 – Litigation Matters

The Society can be exposed to potential civil litigations arising from ordinary conduct of its regular business activities. Often, the matter is an individual action involving a single plaintiff.

In accordance with the provisions of U.S. GAAP for contingencies, the Society establishes accruals for legal matters when potential losses associated with the actions become probable and the amount of loss can be reasonably estimated. No assurance can be made regarding the ultimate resolution of these matters.

Any estimate of reasonably possible losses is based upon currently available information and involves considerable judgement. In addition, the matters underlying of the estimate will change from time to time, and actual losses may vary significantly from the estimate. For this same reason stated, we do not believe than an estimate of reasonable possible losses can be made for certain matters and therefore no estimate is reflected.

NOTE 15 - Concentration Of Credit Risk

Cash deposits in banks are covered by the FDIC up to \$250,000. For the year ended December 31, 2021, the Society's cash and cash equivalents exceeded federally insured limits by \$184,054.

NOTE 16 - Extinguishment of Debt

The Society was granted full forgiveness of its 2020 Paycheck Protection Program (PPP) long-term borrowing in February of 2021. Forgiveness was authorized by Section 1106 of the Cares Act and funds were remitted by the Small Business Administration (SBA) to the lender of record. As of December 31, 2021 and 2020, the amount of debt considered to be extinguished was \$357,500 and \$-0-, respectively.

NOTE 17 - Liquidity and Availability of Resources

Financial assets available for general expenditure, that are without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following:

	2021
Cash and cash equivalents – Without Donor Restriction Investments – Without Donor Restriction Accounts receivable Pledges receivable, net	\$ 409,355 6,294,171 40,868

NOTE 18 - Supplemental Cash Flow Information

For the years ended December 31, 2021 and 2020, there were no interest or income taxes paid.

NOTE 19 – Subsequent Events

Subsequent Events were evaluated as of August 8, 2022 which is prior to the financial statement availability date of August 15, 2022.

On February 28, 2022, the Society purchased 385 S. Yonge Street, Ormond Beach, Florida. The thrift store was relocated to this freestanding building now called "Rescue Retail" in June of 2022.

NOTE 19 - Subsequent Events (continued)

In March of 2022, the Society engaged a company to provide advisory services as it relates to the Employee Retention Credit (ERC). On June 14, 2022, it was determined that the Society qualified for the Retention Credit under partial suspension March 13, 2020 through September 25, 2020 and later filed Form 941X. The credit for each qualifying quarter is estimated at \$100,326 and \$133,082 for 2020 quarter two and quarter three, respectively. If funds are received by the Society, a 15% fee will be assessed by the engaging party. The Society is unable to estimate the amount of the ERC it expects to retain. The Society expects a level of scrutiny and a potential challenge from the Internal Revenue Service. For this reason, a prior period adjustment for the receivable and corresponding revenue are not reflected in the accompanying financial statements.
