**Congratulations on adopting your new best friend! We are honored to be part of the beginning of your journey together, and we are here to support you every step of the way.**

To help your pet start off on the healthiest and happiest path, Halifax Humane Society partners with wonderful private practice veterinarians throughout our community. These caring partners have generously agreed to provide a complimentary post-adoption wellness exam for pets adopted from our shelter. Simply call any participating veterinary clinic within 14 days of adoption to schedule your free exam, and bring your adoption paperwork with you to your appointment. *(The exam itself is free; additional services or treatments may have associated costs.)*
